---

The Mission of each league administered by Alaska Rush Soccer Club is to offer a higher-level of competition and a truer version of the game for players across the state, particularly during the cold, dark winter months. As the Officially Endorsed Statewide competitive, indoor 9-a-side league of Alaska Youth Soccer for U13 and older players and teams, the future goal will be to have teams compete in as many suitable facilities possible in their home areas from across the state.

These leagues include:

- [Alaska Premier League](#)
- [Alaska Junior Premier League](#)
- [Alaska Champions League](#)
- [Alaska Junior Champions League](#)
