

Braeden Hoppough (97B Faribanks) has been selected to the 2012 97 Boys Region IV Inter-Regional team. He will compete from December 13-16, 2012 at the Inter-Regional tournament in Bradenton, Florida. Braeden was selected in 2010 when he was first eligible to tryout for the ODP program. An avid soccer player, in 2010 he has defeated the odds being the sole player from Alaska selected, which led to him being ranked as #11 top player to watch in the Pacific Northwest by Top Drawer Soccer. This year, Braeden's fitness was better and felt like he could make the team again. Coming into the regional camp with prior experience, he knows what is needed to make the 18-Man roster for Region IV. Braeden is looking forward to representing Alaska in Bradenton, Florida. Congratulations Braeden!
